the NEW County Hotel redefined

Welcome to County Hotel, located in a secluded area of the ancient Epping Forest. Complementing the famous forest are a multitude of nearby historical sites. Chingford boasts the Queen Elizabeth Hunting Lodge from when the area was the Tudor's hunting patch! The old market town of Waltham Abbey dates back to 1035. Even are the iron age hill fort settlements of fort Ambresbury Banks and Loughton Camp, which both lie within the forest itself.

Away from the County the centre of London is just twelve short miles either by fast rail or tube links, ideal for theatres, shopping and all the well known attractions.

To the east of London is the Docklands with its financial heart at Canary Wharf and onwards to Bank. For the business traveller or delegate the M11 and M25 are just minutes away and two airports, London Stansted and London City, are also within easy reach.

After spending time enjoying the visits or discussing business, come back and relax at the County Hotel. There are ninety nine rooms which offer comfortable and excellent value accommodation, with all the amenities you would expect from a modern hotel. Enjoy a meal in our restaurant or if your stay is over the weekend, experience one of our regular theme evenings.

The County is a popular and regular venue for weddings, banqueting events or that special family occasion. With our experienced, varied choice of menus complimented by carefully selected wines and the fact we will be by your throughout the big day make the hotel the perfect setting to host your function.

LE MERIDIEN
WALDORF

WINTER EDITION FROM LE MERIDIEN WALDORF

There could scarcely be more exciting times for us here at Le Meridien Waldorf. As 2003 begins we see dramatic changes bringing new talent, new facilities and new ideas.

We have always been a famous name in London's collection of hotels since our opening in 1908. We are nonetheless never complacent and appreciate the need to enhance our range of services in keeping with the demands of today's traveller. Whilst retaining many elements of our traditional past we are now introducing major improvements that ensure that modern business and leisure requirements are met and exceeded.

All of this carried out in style and with a continuing brief of "elegant elegance"; we are traditional but certainly not stuffy.

This weekend keep your eye on the door with what is happening, however on behalf of the team I hope that we will have the opportunity to show you these enhancements in person, in the very near future.

Best Wishes

ANDREW CONRY GENERAL MANAGER

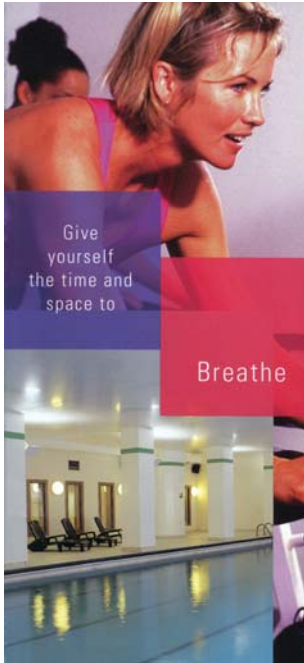

**EXCITING TIMES
@ Le Meridien Waldorf**

FOR NEARLY ONE HUNDRED YEARS, LE MERIDIEN WALDORF HAS GRACED THE ALPSWICH AND IS NOW RENOWNED AS ONE OF LONDON'S FINEST LANDMARKS. Steeped in history, the hotel is currently undergoing an extensive investment programme to include the upgrading of 11 meeting rooms, a Royal Club Floor, Business lounge and a spectacular Health & Fitness Club. It should come as no surprise that with such enviable facilities the hotel is a firm favourite in celebrity circles. Le Meridien Waldorf has long been chosen as the place to be seen by a myriad of famous men. Having welcomed Elizabeth Taylor and James Bond in your past, do you know how the hotel became a base for the likes of Whitney Houston, Hugh Grant, Elton John and even the Spice Girls. Indeed, having hosted the launch parties for the Last King, Mickey Blue Eyes, Notre Dame de Paris.
